Torre delle Stelle – a relaxed holiday destination in south Sardinia

With its laid-back atmosphere, it’s impossible not to fall in love with Torre delle Stelle. The pretty holiday village in the south of Sardinia was created around 30 years, framed by two stunning, sandy beaches. Translating as ‘Star Tower’, it welcomes celebs and holidaymakers alike. After all, mansions owned by rock stars are just at home here as cozy holiday lets for families. Torre delle Stelle is located below the impressive panoramic road between Cagliari and Villasimius. The old Saracen tower Torre de Su Fenugu originally gave the village its name and still sits quietly on its throne above the small holiday paradise. Bathing along sandy beaches with crystal-clear water, a diving course with a German-speaking diving school, feasting on pasta fresca in typical Sardinian restaurants – there’s truly nothing more relaxing than the sweet idleness that reigns here.
